

1. Easy-to-Take

INNERgy™ is pleasantly herbal & mint scented with never an unpleasant aftertaste. Small easy-to-swallow tablets in modular dosage: take from 1-6 tablets daily depending on your perceived nutrient needs—which may vary from day to day

2. Easy-to-Digest No medicine odor, taste or “burp up”. Fresh scent means perfect formulation so minerals do not oxidize the vitamins. That “Vitamin-Smell” equals a degradation of ingredients

3. Quick Dissolving

Tablet Technology Place in a glass of body-temperature water & our tablets “quick-dissolve” unlike all other tablets. Quick dissolution means no waste plus easy absorption of nutrients. Tablets don’t end up in toilet through the elimination process

4. Absolutely Complete

With over 70 forms of nutrients in both water & fat-soluble forms, including the “all-important-to-supplement” vitamins, minerals, trace minerals, antioxidants, active coenzymes, mineral chelates, greens, herbs, a patented absorption enhancer, standardized phytonutrients, & more...

Ours is THE ONLY TRUE “all-in-one” Multi-Power-Vitamin-Mineral

Now there’s no need to buy 12 different products or more, causal to the additional real concern about proper balance & the undesirable, sometimes fatal, doubling-up on dosages, & purchasing inferior, cheaper, & poorly absorbed nutrient forms

5. Complete Antioxidant Package

Each tablet is loaded with powerful & costly anti-aging antioxidants including: Vitamin A, (as safe, natural beta-carotene) Vitamins C, E, Selenium, & Zinc; & a complete phytonutrient antioxidant arsenal including: Curcuminoids, proanthocyanadins, greens, alpha lipoic acid, lycopene, lutein, milk thistle extract, blueberry juice concentrate, & more

6. Full Calcium & Magnesium

Package Does your current “multi”...come close to supplying 100% (1,000 mg) of your daily requirement of premium-calcium, & 100% (400 mg) of premium-magnesium in a full daily dose? You have to buy extra & inferior calcium & magnesium tablets. Calcium & magnesium is almost always shorted in multi-vitamin products. Check your current label for proof...

7. Heart Health

Does your “multi”... promote heart-health containing premium methyl donor nutrients such high potency Vitamin B12 as methylcobalamin—not cheap cyanocobalamin?...As well as full dosages of folic acid, & Vitamin B6 as premium pyridoxal 5’ phosphate? Methyl donor nutrients have been shown to reduce homocysteine levels & may help prevent heart disease

as

8. Greens & Chlorophyll Pack

Does your “multi”...provide best-quality greens from oceanic sources containing broad-spectrum ultra-trace-minerals & phytonutrients such as Hawaiian-grown spirulina, cracked-cell chlorella, kelp, barley grass juice, & more? **Chlorophyll has been called nature’s “internal deodorant” while all other deodorants trap what would otherwise be eliminated as waste**

9. Ready-to-Energize B-Vitamins

Does your “multi”...contain a complete Vitamin B-complex for energy production including ready-to-energize, costly coenzymal forms such as Vitamin B2 (as riboflavin 5’phosphate), Vitamin B6 (as pyridoxal 5’phosphate), & Vitamin B12 (as methylcobalamin)? It’s likely NO, as these ready-to-use forms of B’s cost considerably more than drug store & big box store varieties

10. Omits Undesirable Substances

Does your “multi”...purposely omit iron---which may initiate premature aging via free-radical damage & **require a poison warning for children?** Does your “multi”... omit medicinal herbs like Cascara & Echinacea, & more, which should not be consumed daily?

We purposely omit added iron, sugar, medicinal herbs, fungus, artificial flavors, colors, preservatives & undesirable chemicals

11. Patented Absorption Enhancers

Does your “multi”...supply premium patented Bioperine® from Sabinsa Corp. facilitating the absorption of our POWER-NUTRIENTS? Does your “multi”...contain our quick- dissolve-tablet technology easily demonstrated in plain water? **Does your “multi” EVER dissolve in water...your stomach?**

12. Hair, Skin & Nail Beauty

Does your “multi”...contain natural organic sulfur & silica compounds valued for healthy hair, skin, & nails?...as well as sufficient amounts of Vitamin C in multiple forms & its bioflavonoid & flavonoid helpers to enhance healthy connective tissue formation needed for a vibrant appearance?

EverLast *INNERgy*™ Multi-POWER-Vitamin-Mineral quick-dissolve tablets arrive at your door monthly or as needed, including an *INNERgized* Tourmaline/Si-Bin Power-Patch to protect & additionally fortify all the “goodness” inside our tablet

As soon as it arrives, *INNERgize* the Power-Patch by putting it in daylight for a couple hours...open the bottle & place your Power-Patch inside...

EverLast *INNERgy*™
